JACK & JILL GOLF TOURNAMENT

Sunday, January 27, 2019

8:30 a.m. - Palm Royale Country Club

See the bulletin board for sign up and details!

DESERT AIRE NEWS

MESSAGE FROM THE PRESIDENT

By Hope Hilliard, President Desert Aire Board

Happy New Year to all our residents in Desert Aire. We are looking forward to a lively few months with a calendar filled with more activities than most people can fit in.

The Board of Directors will be reviewing comments from Homeowners regarding a rule designed to restrict advertising for short term rentals. The proposed rule will be voted on at our January Open Board Meeting.

We plan to hold two Hot Topics Meetings in January. One of the topics will be designed to get feedback on our plans for the restrooms and the timing of the repair and updating. The second topic will include the list of priorities the board has developed to continue to maintain the beautiful park we love. We want to make sure

we have this list right so we look forward to discussing with homeowners.

All the best to each of you in the new year.

MESSAGE FROM CAROLYN

By Carolyn Quintana, Community Association Manager

Happy New Year Everyone!! I am hoping that 2019 will be a very special year for Desert Aire and that many positive events will happen.

I pray that those of you who are traveling during the holiday season will have safe travels and come back to Desert Aire soon. Those of you who are staying for the holidays I hope you enjoy the beautiful weather and activities at Desert Aire.

A few things to mention: **Speeding** it has been reported that some Desert Aire residents and Vendors have been going over the 15 MPH that is posted in Desert Aire. Lets all work on obeying the DA speed limits we don't want any accidents. If you see a vendor speeding in the community please let me know and I will contact them.

Desert Scape: Please avoid walking through the new desert scape areas. Walking through these areas leaves footprints and displaces the gravel base. Let's all be considerate.

Wishing You Every Happiness!!

MINUTES DESERT AIRE OPEN BOARD MEETING - By June Cavendish, Secretary DA Board

Highlights of the Open Board Meetings

December 4, 2018

INTRODUCTIONS: The Board was introduced. Everyone was present except Carolyn Quintana.

Hope shared a few comments with the audience. At this meeting we will adopt the service/comfort animal policy provided by HUD. We have to

Editor. Karen Such, Lot 182

accommodate these animals. Carolyn will handle the forms necessary for the animal owner to fill out upon their arrival at our park.

Bathroom renovations was one of the top priorities from the survey last year. We are now investigating the costs and what it would take to be in compliance with the new laws on low water usage products. Costs and plans are currently being drawn up. The board would like to have everyone's input so a hot topic will be held in January.

A new rule for short term rental advertising will be discussed later in the meeting.

Secretary's Report: June Cavendish

A motion was made to accept the minutes from the November 6, 2018 open board meeting. The motion was seconded by Judy Bailey. Motion passed.

Treasurer's Report: Anne King

Anne thanked Bob Langin and Steve Such for their help on the finance committee. The open budget meeting was held on Nov. 19th and 14 homeowners were present. The 2019 budget and the reserve fund were presented. Everyone should have received a copy of these by mail or electronically. Copies are available in the office. The Oct. statement has not been received yet from DRM so a report will be given at the January meeting.

RULE CHANGE – A rule change was introduced that will restrict all advertising for short term rentals with a penalty for advertising. Homeowners have 30 days to comment on the rule before it is voted on at the January meeting. Copies of the rule were handed out at the meeting and are available in the office.

Committee Reports:

- 1. Activities – June Cavendish – No report
- 2. Emergency Preparedness – Anne King

Mark Wilson reported that he and Cheryl Boyer will conduct CPR classes in January. Sign up sheets will be on the bulletin board. The new defibrillators to be placed in the laundry rooms will be installed soon.

3. Community Relations – Anne King – No report

4. Real Estate – Brian Dolsen

Donna Irvine reminded the homeowners that if they rent their units they are responsible for keeping the items in their units updated and in working order. A list is available in the office of the items that should be in your unit.

5. Mark Monaco, the real estate agent gave a report on properties for sale and rent through his office. Currently 17 properties are for sale and 17 properties have been rented. He has received 72 requests for rentals and unfortunately was not able to accommodate all of them.

6. Buildings & Grounds – Brian Dolsen

Brian presented a motion for an ER for \$2,000 for repairs and expansion of the horseshoe pits. Judy Bailey seconded the motion. Motion passed.

Don Hammond reported on work being done by his committee. They will be working on the horseshoe pits and the bocce ball courts. Roof repairs are going on now. The walls behind the rose bushes have been painted.

7. Architectural – Judy Bailey

Judy gave the report for Barb Eggiman. 62 units were not in compliance on the Nov. 15th check. Reminder to homeowners that dirt removal from your property is your responsibility not Alfonso's crew.

8. Landscape & Design – Kurt Neumann

Nancy Clarke reported that outside the front gate will be redesigned and the work will be

done by Kirkpatrick Landscape. The work should start soon and geraniums will be planted for now. If you are having trouble with nutgrass or bugs on your plants Bob Williams nursery will be glad to work with you on getting the right spray. A good reference book "Lush & Efficient" for flowers and trees in this area is available at the nursery.

9. Space Allocation – Kurt Neumann

The committee is working on Phase II and will have a report in January.

10. Security – Barry Rutz

Motion made for \$400 ER for a new cell phone for the security team. Kurt Neumann seconded. Motion passed.

11. Pumps & Ponds – Barry Rutz – No report

12. Marketing & Communications - Hope Hilliard – No report

13. Nominating Committee – Hope Hilliard

Colleen Crewdson reported that her committee is working on getting candidates for the March election.

NEW BUSINESS – Hope made a motion to adopt the service/support animal policy. Barry seconded. Motion passed. The policy will be posted on the main bulletin board.

Home Owner's Open Forum

Grant Hilliard # 5 thanked Carol Malcom, Sherrie Haines and Lou Bailey for keeping the kitchen in order.

Pam Laird # 145 thanked Tom Stewart and his crew for decorating the front gates. She also reminded everyone that all the gates around the clubhouse need to be closed quietly. Don't slam them.

Edie Ehlers # 96 wanted to know when the billiards room would be repaired. She said it is

really in bad shape. Needs to be painted and has holes in the ceiling and carpet needs to be replaced. (Space allocation is working on this for phase II of renovation). Wanted to know if the drinking fountain will be replaced at the pickle ball courts. (Board will look into this). When switching to canal water for lawn watering was purple pipe used so that a homeowner would know that it was not drinking water. Needs signage or locking caps so everyone will know that it is not potable. (Purple pipe was used when switch over occurred. Board will also look into the locking caps).

Tom Stewart #71 thanked his crew for helping with the decorations on the front gate. Thanked the Activities Committee for the funds to purchase mats and other items for the gym. The new treadmill and rowing machine coming this week. New parts have been ordered for the universal gym and they will be replaced in mid January.

Dan Malcom #25 the uneven concrete on the patio is a safety issue. (This will be repaired in mid December). Also we need to leave a few lights on in the auditorium for safety.

Darlene Clarke #81 concerned about the weeds around the pond.

Carolyn Stastny #51 reminded everyone of the Christmas concert by our own chorus on Dec. 9th at 7 pm. A Christmas concert will be held at St. John's Lutheran Church on Dec. 15th at 7 pm. Carolyn will be participating with this chorus.

Introduction of New Home Owners

#33 Dave and Sherrie Haines from Victoria BC

Announcements – next open board meeting will be January 8, 2019 at 10 am.

Adjournment - Meeting adjourned at 11:09 am

ACTIVITIES COMMITTEE

By Jan Larson, Chair

Happy New Year to all. If you are new to Desert Aire, we welcome you and hope that you will enjoy many of our activities. Let me tell you about this month.

Bingo is scheduled to begin on Wednesday's at 7:00pm on January 2. It is great fun and you can pay \$3 and have 3 cards per game or you can pay \$5 and have 6 cards per game. Some lucky person always wins so be sure to remember Bingo on Wednesdays in the auditorium.

Another fun game is Bunco. It is on Mondays at 7:00 in card room 1. It is a dice game that I'm told causes great laughter and joy, as well as it is easy to learn. I hear you do have to bring a dollar.

Saturday Night Alive has two nights scheduled in January. The 5th and 19th. Ill be waiting to hear what Mexican Night will be like on the 19th.

TICKETS: This month you will want to buy tickets on Tuesday or Friday at 11:00-12:00 for many upcoming events.

1. Steppin Out will play for a benefit for Gracie on January 11. Watch for specifics.
2. Concert on January 18. William Florian \$10. William is a singer, song writer. He sings a bit like John Denver and does folk songs.
3. Western Dinner Dance. Kenny Hess has been in the park before and was well liked. Happy hour is 4:30 and dinner at 5:30. Be sure to wear your finest western getup or just come as you are.

The Blood Mobile will be here on January 11. If you are able to give, please sign up to do so. It is pretty painless and helps many people.

Jack and Jill Golf will be January 27th. Even if you are not the very best golfer, sign up and give

it a try. It is a great way to meet people in the park.

BUNCO

Coordinator - Donna Laughton

Bunco starts Monday, January 7th at 7:00 pm in the Auditorium. Still only one dollar for two hours of fun with three dice. This game is so easy to learn and a great opportunity to spend a couple of hours laughing and having fun. No experience is necessary. Please sign up on the bulletin board and come join us.

SATURDAY NIGHT ALIVE

Coordinators - Graham and Donna Laughton

Come join us Saturday, January 5 at 7:00 pm in the auditorium for the first Saturday Night Alive of the New Year. We will have Karaoke, Ping Pong and Wii Bowling, so there will be something for everyone. This is Desert Aire's Pub Night. We will have our world famous popcorn, games to play and our 50/50 draw. Tickets are 5 for \$2. Come try the Wii bowling or play some ping pong and bring your singing voices for the Karaoke. You should also bring your own beverage to enjoy.

Saturday, January 19th will be our big Mexican Fiesta Night. Please wear any Mexican clothes you may have and bring your sombrero if you have one as we want to have a Mexican Hat Dance. There will be lots of surprises this evening in addition to our popcorn and games and 50/50. Where else can you have so much fun for so little? You may want to bring tequila as your beverage for this event as well as your friends and neighbors.

2019 FASHION SHOW - FRIDAY, FEBRUARY 22

By Wanda Green, Coordinator

Get ready to have a BLAST at the upcoming fashion show, "AN EXPLOSION OF FASHION".

Chicos and Soma are ready to BLOW UP the stage with their newest collections of the season

that will EXPLODE with color, style and class.

Tickets are \$5.00 available beginning on January 4, at the ticket booth.

And remember to IGNITE our taste buds with your favorite dessert or salad to share. Sign up on the bulletin board. In addition, you will have a BANG of a good time when you (bring) and enjoy your favorite beverage.

ARCHITECT COMMITTEE

By Barb Eggiman, Chair

Happy New Year from the Architectural Committee!

2018 was a busy year for the committee as we reviewed and approved just over 100 requests for changes from many home owners. Among the changes were thirteen requests to build new sheds. There were nine requests to install new shade structures such as pergolas or gazebos. The park is looking good and that's in large part due to the owners who have made improvements to their lots.

Please continue to submit your work orders for making changes and upgrades to your lots. Our first committee **meeting** of the New Year will be on **Tuesday, January 8**.

We can be reached at:
DAarchitectural15@gmail.com

Barb Eggiman and the Architectural Committee Members: Bob Adams, Elaine Babcock, Randy Miles, Dan Spino, and Judy Bailey the BOD liaison

BUILDING & GROUNDS COMMITTEE

Don Hammond, Chair

Work by the B & G troops continued through the month of December. Instead of listing work that has been accomplished, I want to take this opportunity to provide some important information.

The park has two separate and very different water systems. When we gained access to the canal water (supplied by the Coachella Valley Water District), the decision was made to use it to supply the ponds and to set up a separate system for watering the large common areas.

The canal water is non-potable thus can not be used for drinking and cooking. Our potable water is supplied by the the Indio Water Authority and is a completely separate system. When we created the canal water irrigation system around the club house, we dug trenches and put in a new separate watering system. The in ground valve systems for distribution of the water is color coded per code with the green lids signifying potable water (Indio) and the pinkish/purple lids signifying canal water.

At various locations, there are manual valves (hose bibs) in the canal water distribution system.

The handles have been removed from them to prevent accidental use as potable water by residents or guests. Park staff are the only users of these valves and are the only ones with access to the handles.

As a point of interest, our canal water comes to us through the All American Canal from the Colorado River near Yuma, AZ a distance of 123 miles. Our particular arm of the canal is the first drop or withdrawal from the main canal. It flows into our ponds with pressure created by gravity only.

Electrical pedestals are installed on concrete footings which must be exposed. Throughout the park, many are under as much as 10 inches of soil which creates rust and deterioration of the pedestal. If you cannot see the concrete footing, you must remove the soil and let the pedestal dry out. Allowing the pedestal to continue to rust could necessitate complete replacement.

One owner has received a bid of \$2900 for replacement.

New covers have been installed at the A and B pools. Water Volley Ball people are responsible

for the covering and uncovering the pools. Per code, when the covers are on the pools, the gates must be locked. If you want to use either pool and the gate is locked, contact water volley ball people for someone to open the gate and help uncover the pool for you. We need to cover the pools late afternoon on Monday, Wednesday, Friday and Saturday. Those nights the pools will be covered to conserve heat which significantly reduces the cost.

EMERGENCY PREPAREDNESS COMMITTEE

Mark Wilson, Chair

There are a few things I would like all of us to do when we arrive at our desert home.

1. Replace your batteries in both your smoke detector and your CO² detector. After you've installed the new batteries, press the Test button to ensure they are in good working order.

(If you need help with any of the above, I would be glad to help you. I'm in the book.)

2. Buy some bottled water. Have enough water to supply yourself for up to 72 hours. (one gallon per person per day)
3. Make sure you have some non-perishable food in the pantry. Canned meat, canned vegetables, soups, etc. Again you will need enough to last 72 hours.
4. Have some cash on hand. In the event of a long power outage our credit &/or debit cards will not do us any good at the store.
5. Lastly we should have a supply of our medication on hand.

If you have any questions or concerns, please feel free to give me a call. Thank you,

Mark Wilson, Lot 69, 503-544-6781.

AED(AUTOMATIC EXTERNAL DEFIBRILLATOR) UPDATE

Cheryl Boyer RN (retired) CPR Instructor

Two new additional AED's have arrived. One has been placed in each of the A&B laundry rooms in a metal storage cabinet. Please familiarize yourself with where they are located. The third one remains in the mail room..

In case of an incident Call 911, send someone to get the AED closest to the event (where incident happened). Take the AED to event, push green button to turn AED on and follow prompts. You do not need to know CPR to use and AED. Time is of essence and that's why we are fortunate to have two additional AED's to improve response time.

There will be 2 "chest compression" only CPR classes on January 24, repeated on February 21. Watch for the sign up sheet to be posted on the announcement board. These classes have been well received are free and last about 1.5 hours. Don't hesitate to sign up if you need a refresher. However, class size is limited so sign up early.

LANDSCAPE & DESIGN COMMITTEE

By Nancy Clarke, Chair

The front entrance to our park is in need of a more welcoming look and that will be our focus, in the coming year. Kirkpatrick Landscaping will be submitting a professional design for us to work with.

We see our Committee structure changing somewhat. Therefore, we are looking for people that would appreciate less "meeting" time and would rather devote more time to designing, building and enhancing places in the park, that are in need. We are always looking for new members that have a certain panache in *landscaping, gardening or design*. Your creative talents would be most welcome.

If you are interested in joining the **Landscape & Design Committee**, would you please contact

Nancy Clarke (unit #79) phone #760-406-2440 or **Glenda Klein** (unit #272) phone #425-210-8963 for more information.

As you celebrate the festive season with family and friends, we wish you all a Happy & Healthy New Year

SECURITY COMMITTEE

By Gordon Klein, Chair

Happy Holidays to all from your Security Team!

We are happy to report another quiet month in the Park. All security beams, locks and alarms are in good working order. We are currently working on several projects with Buildings and Grounds to enhance the security of the Park.

Just a reminder your security team is available at all times. If you notice a street light that is not working, or you observe suspicious activity please refer to your Directory for phone numbers to contact our team.

LIBRARY NEWS

By Kay Wilson, Coordinator

Our library is made up of all donated books from you in the park. Drop off books you have read by putting them in the basket with returned books, donated books and movies. Please don't put them on the shelves as we have a way of checking them in.

A few reminders that help us in the library:

1. Be sure donated books are clean and in good condition.
2. Magazines should be taken to the A and B laundry rooms.
3. We don't accept VHS movies, cookbooks, or books on tape as we just don't have enough room.

People working in the library this year are Joyce Bruenn, Erna Burkennhofer, Cathy Christy, Terri Lawton, Karen Mitzel, Karla Bergen, Wendy Winbolt, and Kay Wilson.

QUILTER'S CORNER

By Kaye Salley, Quilter

Welcome to all the returning residents and new ones at Desert Aire. Although our space is limited, the quilt room welcomes anyone to come sew. Everyone is welcome to come to the quilt room and share projects, patterns, or techniques. You can work on your personal project, or make a Project Linus quilt. There are community sewing machines that may be used in the quilt room. If the room is locked please call one of the numbers posted outside on the bulletin board to get the code.

Remember the spaghetti feed and auction will be Saturday February 2.

\$10 a person. Tickets are on sale at the Desert Aire Ticket Booth at the times posted at the booth. The Ticket Booth will reopen January 4, 2019.

As in the past, there will be sign up sheets posted in the quilt room for duties for the dinner. You do not need to be a quilter to participate.

If you have an item to donate for the auction, please bring to the quilt room, before February 1. Please put your name on it so we know who donated the item.

Auction items will be on display at Saturday morning donuts. If you did not buy dinner tickets but want to bid on items, you are welcome to come in around 6:00 or 6:15 pm and bid on your favorite auction items.

The first meeting time is January 11, 9:30 p.m. If you are new to the park, please provide Elaine King with your e-mail address to garyelaineeking@gmail.com. You can also update our roster on the bulletin board INSIDE the quilt room. The first meeting will be to discuss the upcoming Spaghetti Dinner and other items. A notice will be posted outside the quilt room for the meeting also.

Thanks to all who have already started on Linus quilt donations, and for the fabric donated to the quilt room.

Quilt Bee will be held in February

Anyone can participate in the quilt bee. Help is always needed for sandwiching quilt tops to backs or pressing or cutting. Even if you have never made a quilt, we can help you start on your first one!!!!

THIS 'N THAT

By Susan Langin, Coordinator

Check the This 'n That section of the bulletin board for events and activities in the valley. Some activities we will attend as a group, so look for those sign-up sheets. Here are some upcoming events:

Jan. 3 - First Thursday in Old Town La Quinta

Jan. 4-5 - First Friday weekend in Palm Desert

Jan. 5-6 - Dog Show at Empire Polo

Jan. 19-20 - Lacrosse Festival at Empire Polo

Jan. 24-27 - Southwest Arts Festival at Empire Polo

PARK TIDBITS**DESERT AIRE ANNUAL BLOOD DRIVE**

By Sally Wilson, Coordinator

Time to start building up your iron so you'll be good and healthy for Desert Aire's annual blood drive. The bloodmobile bus will be here on Friday, January 11th from 8:00 am to 1:00 pm.

This year donors will receive a single-day pass (valid January 17th or 20th) to the Desert Classic at PGA West in LaQuinta. Donors also receive points good toward merchandise, restaurants and gift cards. This year, you'll also be able to pre-register online before the drive which should save time and prevent the backlogs we've sometimes experienced. The downside is that it has to be done the day of the drive from 12:01

am until your appointment time. See the main bulletin board to schedule your appointment.

Your participation is truly appreciated. Only you can give this gift of life!

DESERT AIRE BIBLE STUDIES

By Harriett Moyer, Coordinator

Non-denominational Bible study groups resume in January in the Party Room. Everyone is welcome. Come and enjoy informal study and discussion with friends.

Jack Broer will lead a study on the Secret of Contentment in Philippians on Tuesdays from 9:30 to 11:00 am. The first meeting on January 8th will begin late, after the Board Meeting is over.

The second group will meet on Thursdays from 10:00 to 11:30am in the Party Room, starting January 10th. Marvin Chapman is the leader and we will focus our Bible study on Having a Faith That Can Handle This Troubled World.

Anyone interested in Bible study is invited to join us for a fun, informational lunch get-together on Monday, January 7 at noon in Sloan's Restaurant on highway 111.

Sign up at the bulletin board or call me at 971-998-6347 to reserve a place.

LADIES GOLF

By Elaine King, Coordinator

Watch the Golf Bulletin Board for an opportunity to golf with other ladies from Desert Aire. Tee times will be booked on Wednesday mornings at Indian Palms Golf Course on Monroe Street (just a hop and a skip out of the park). Rate is \$35.00 for nine holes of golf. Join us for a drink or lunch in the restaurant following your golf game, as this proved to be the best part of the game last last year. Hope you can join us.

For more information call Elaine King 760-799-6562.

PROJECT GRACIE

By Susan Langin, Coordinator

The caring and most generous response from the Desert Aire community to help former housekeeper Gracie Thompson and her family has been heartwarming indeed. In addition to the many cards with personal donations, about \$750 has been collected in the donation basket at donuts, pancakes, hamburgers, and the Christmas Concert. Over \$150 has been collected in the "Change for Gracie" jar in the office. \$834.60 has been given to Gracie to date. Austin's saxophone is out of hock, thanks to the kindness of a very generous couple. We will continue to have the Project Gracie basket out at donuts, hamburgers and pancakes. Continue to save your loose coins to put in the "Change for Gracie" jar in the office as well. Every little bit helps, and believe me, Gracie is most appreciative.

You will not want to miss "Steppin' Out for Gracie," a benefit concert/dance that will be held on Friday, January 11th. Come kick off your shoes or sit back and enjoy the high energy music of Keith and Del Hunter ("Steppin' Out"), who have rented and performed at Desert Aire for years. Wear your cleaning duds. The theme song will be "Hi Ho, Hi Ho, it's off to work we go." Come for a fun evening and a great cause. Tickets are \$10. There will be a 50/50 draw.

If you have any questions about Project Gracie, contact Sandy Herrin, Mary Ellen Johnson, Betty Moscrip, Carolyn Stastny, or Susan Langin.

SHUFFLEBOARD

By Terri Lawton, Coordinator

Shuffleboard has started and we are having a lot of fun. We are always looking for more people to join our group! We play on Wednesday and Friday mornings from 8:45 a.m. to 11:30 a.m. Come both days, or if one day fits your schedule, come for that. No experience necessary, we train as we play.

Sign up sheets are inside the shuffleboard building on the bulletin board. You must sign up at least the day before we play and be sure to show up if you have signed up.

We also collect aluminum cans. So bag up your beer and soda cans and drop them off behind the door of the shuffleboard building. We will crush and recycle them. No plastic water bottles please.

See you on the lanes!

MONDAY NIGHT SHUFFLEBOARD

By Elaine King, Coordinator

Join us at 7:00 on Monday nights for one game of Shuffleboard. This is an opportunity to play the game in a relaxed atmosphere and a great opportunity for the beginner to learn the game.

There is a sign-up sheet on the bulletin board on the concourse of the clubhouse. We will start on January 7th. Come check it out.

MESSAGE FROM THE EDITOR

By Karen Such, Editor

This is to thank all of our family here at Desert Aire for all of the love and prayers you have sent our way this past month. We have had a tough month after losing our son, but with your love, prayers and God's never ending love we have been able to get through it. Steve is doing great with his new pacemaker, other than not being able to golf for three months. We are ready to enjoy our winter with our wonderful Desert Aire family. Thank you from both of us!
